**THEY'RE** high school graduates - and the world's got hell to pay! Hot new talents Thora Birch (*American Beauty*) and Scarlett Johansson (*The Horse Whisperer*) "sneak into your heart and stay there" (*Rolling Stone*) in this "uproariously funny" (*Premiere*) comedy from the acclaimed director of *Crumb*. With Brad Renfro (*Duces Wild*), Ileana Douglas (*Str of Echoes*) and Steve Buscemi (*Fargo*) in "the best role of his career" (*Movieline*), this "whip-smart comedy" is "a surprise gem" (*People!*)

While their classmates head for college, Enid (Birch) and Rebecca (Johansson) focus their energies on tormenting those around them! From a gooly convenience store clerk (Renfro) to an eccentric art teacher (Douglas), these two saboteurs wreak havoc on all who cross their paths. But when they zero in on an oddball loner (Buscemi) looking for Miss Right, their seemingly innocent meddling threatens to shatter one of their hearts...not to mention their lifelong friendship!
